CRAFTED FIT

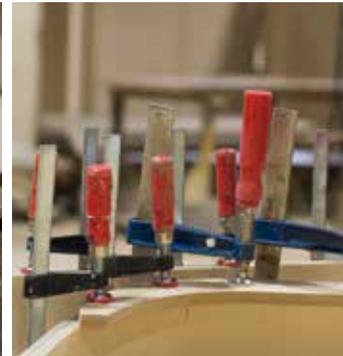

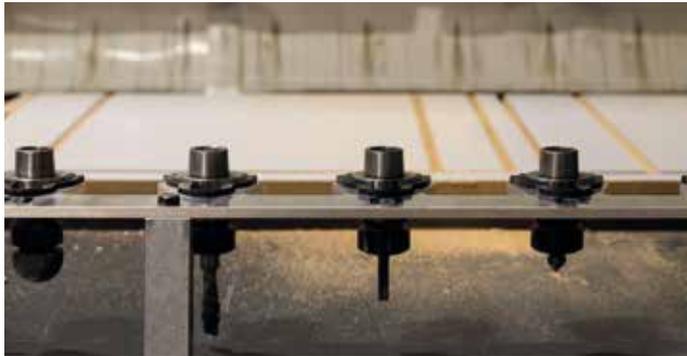

This is McCue Crafted Fit

We have extensive industry experience specialising in refurbishment and fitting out, transforming promising spaces into distinctive places. We build excellent relationships with our clients, ensuring we understand their needs in order that we not only meet their expectations, but exceed them.

By sharing the development process and offering practical advice, we help our clients, big or small, to fully realise their concepts. McCue is committed to developing immersive environments that represent both the brand and great value for money.

TRANSFORMING
SPACE
INTO PLACE

Our Work

Based at our 60,000 sq ft head office and production facility just outside Belfast, McCue has the equipment and skills to deliver even the most unique and challenging of interior projects, providing bespoke architectural joinery services to a wide range of sectors. Building on Northern Ireland's manufacturing heritage, all bespoke joinery is manufactured in house and all other functions are procured from our approved network of service providers.

We're detail oriented, excellence driven and thrive on collaboration and an entrepreneurial approach with each and every project. We're always open to new ideas and we like to push the boundaries. That's why our clients across the UK, Ireland and further afield continue to work with us and our peers have consistently rewarded us with the highest honours in our industry.

We like to bring forward innovative and creative ideas that can turn promising spaces into distinctive interesting places on time and on budget.

THE PROCESS

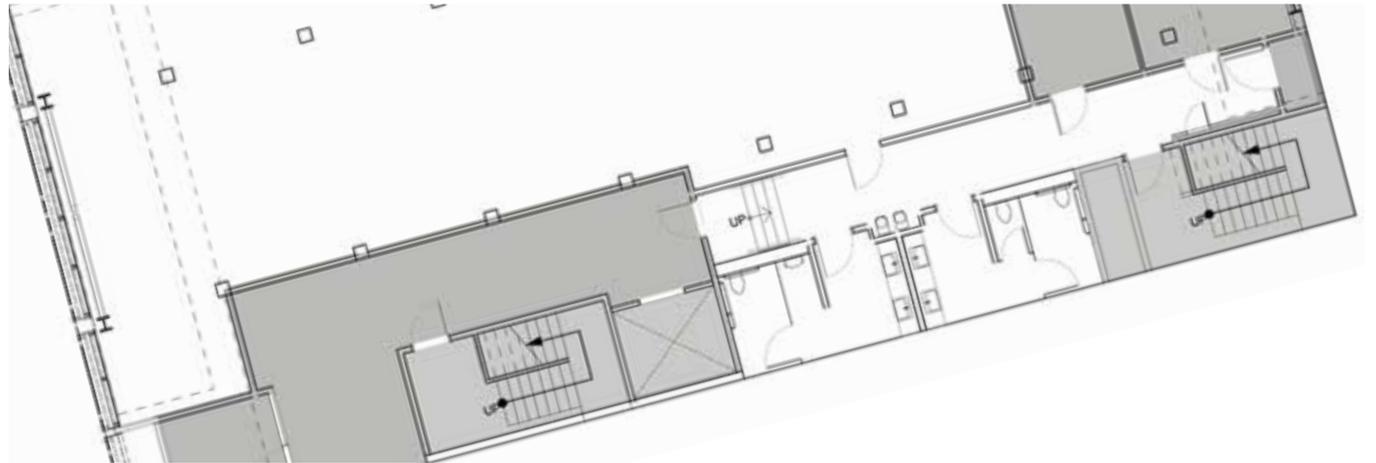

From Plan to Place

Handing over a project to McCue Crafted Fit is as simple as 1, 2, 3.

1. McCue acts as a principal contractor in each fit out project and takes a project through from concept to full completion. Our dedicated team guides each client through the process and works to ensure the fit out is fit for purpose.
2. We collaborate. Collaboration ensures the best possible outcome, so we work with only the finest architects, designers and other sub-contractors to ensure that your fit out is of the highest quality and durability. We hold a highly reputable status and maintain a secure client base across multiple sectors.
3. From fittings and fixtures to carpets and artwork, our fit outs are ready to go when you are. McCue can provide even the smallest of finishing details to ensure that your fit out is ready for purpose when you need it to be.

McCue brings the highest levels of commitment and professionalism to interior projects and we're proud of what we do and who we work with.

THE SECTORS

Hospitality

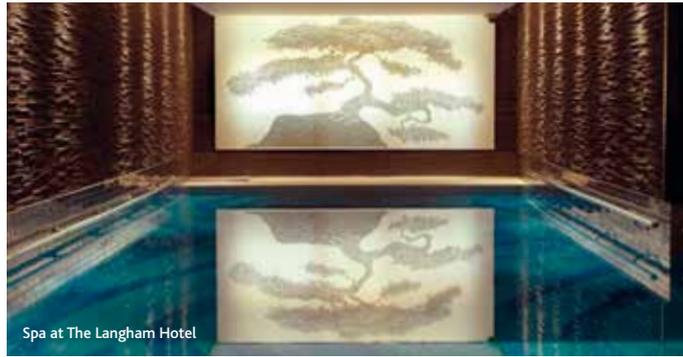

High quality fit out in the hospitality sector is incredibly important, as it's the place where your customers will spend the most time interacting with their environment. Therefore, the durability of materials used is just as important as the aesthetics, as these materials should last for years to come. We pride ourselves on our in house joinery facility which has crafted bespoke furnishings for some of the most prestigious hospitality clients in Europe.

McCue's recent hospitality clients include The Berkeley Hotel including Marcus Restaurant, London, Malmaison, Belfast, Four Seasons Hotel, Ten Trinity Square, Lillie Square, The Lancaster Hotel, Fat Buddha, Casa Cruz, Notting Hill, Lime Wood Lodges, The Dean Hotel, Dublin, Kaspar's Seafood Bar & Grill, The Savoy and Pizza Express. Other major projects include work on The Merchant Hotel, Belfast, Shangri-La, The Shard, London and Claridges.

Leisure

McCue's fit out capabilities span a range of projects, especially within the leisure sector. Whether it's museums, hair salons, spas, pools or gyms, we can add a unique flair to your leisure fit out, ensuring customers the highest quality throughout. For projects such as relaxation, treatments, fitness or culture, making the most of the space is important to us because it's important to you.

Recent leisure clients include Lillie Square, The Langham Hotel, DW Sports, Virgin Active, Lagan Legacy museum and the spa at Four Seasons, Ten Trinity Square, London.

Corporate/Finance

Office fit out is about maximising and making best use of the space available and ensuring efficiency. Whether it is a large open area that requires zoning through fixtures and fittings or multiple offices that require individual approaches, McCue Crafted Fit has the experience to meet your needs.

We take a project from concept to completion, supplying everything from bespoke joinery to artwork and carpets. We can also help to find a solution whereby your staff can continue working in the space whilst we're fitting out.

Recent corporate and finance clients include Arthur Cox, KPMG, Finnebrogue, Santander, PwC and Danske Bank.

Healthcare

Fit out in the healthcare sector comprises of many aspects and must ensure comfort and durability whilst also remaining aesthetically pleasing. Certain materials can be employed to ensure that the fit out is integral to the environment.

McCue is a network approved fabricator of Corian®. This material is primarily used in hospital fit out and also worktops, reception, counter tops and wall cladding as it is non-porous and doesn't support the growth of bacteria or fungi. As well as working with brands such as Radox, McCue recently completed the fit out of 288 unique single en-suite bathrooms for the Ulster Hospital, Dundonald.

Marine

McCue Crafted Fit entered the ship refurbishment market with the launch of McCue Marine in 2014 and has built upon its successful fit out experience on land and taken it to sea.

Our land-based experience ensures high quality fit out in the maritime sectors, employing ship experienced tradesmen and management, complemented with marine approved materials and subcontractors.

McCue recently upgraded the Queens Grill and Princess Grill restaurants and Queens Grill Lounge in addition to the The Verandah Restaurant as well as the Mayfair Shops on board the illustrious Queen Mary 2. Other projects include the Queen Victoria, the Thomson Dream and Thomson Celebration.

McCUE ACCREDITATIONS
