

A photograph of the Arthur Cox Belfast office interior. The reception area features a long, white, illuminated reception desk. The wall behind the desk is made of dark wood slats and has the 'ARTHUR COX' logo. To the right, there is a display rack filled with brochures. In the foreground, there are several white chairs and a round white table with a newspaper on it.

ARTHUR COX
—
BELFAST

KEY POINTS

- ▶ Value: 1.4 million
- ▶ Timescale: 12 weeks
- ▶ Main Contractor: McCue

Arthur Cox are a global law firm with offices around the world. McCue where instructed to conduct the refurbishment of their Belfast office.

THE FIT-OUT

The fit-out of this project was phased over three floors to minimise the disruption to the team at Arthur Cox and the other businesses within their building.

The works include:

- ▶ Installation of stud walls, suspended and MF ceilings
- ▶ M & E
- ▶ Bespoke joinery works including desks and feature reception wall
- ▶ Glazing
- ▶ Specialist flooring
