

DANSKE BANK BANKING HALL — BELFAST

KEY POINTS

- ▶ Value: £800,000
- ▶ Timescale: 11 weeks
- ▶ Main Contractor: McCue
- ▶ Closed Environment
- ▶ Architect: Todds Architects
- ▶ Listed building

Danske Bank is one of Northern Ireland's largest banks with their flagship branch located in Donegall Square. They instructed McCue to create a revolutionary open plan banking space.

THE FIT-OUT

The fit-out of the hall involved the stripping out partitions and altering the structures to suit support the open plan space and provide seamless IT connectivity.

The works include:

- ▶ Bespoke acoustic booth and meeting areas
- ▶ Partitioning of walls and new ceilings
- ▶ Specialist flooring
- ▶ Stone floors and walls
- ▶ Relocation of IT including ATM's
