

**H&S Policy Statement**

McCue are committed to ensuring, as far as is reasonably practical, the Health, Safety & Welfare of its employees, visitors and members of the public who may be affected by our actions or omissions.

The Company shall adhere to the relevant Health & Safety Legislation pertinent to the country the work is undertaken as well as complying with all other requirements and regulations.

The Company shall provide, so far as is reasonably practical: -

- A safe place of work
- Safe Plant
- Safe Systems at Work
- Appropriate information, consultation, instruction, training, and supervision
- Suitable protective clothing and equipment
- Commitment to the prevention of injury and ill health

Day to day responsibility for ensuring this policy is put into practice is delegated to the HSEQ Manager and they also shall be responsible for implementing and monitoring emergency procedures.

They shall also be responsible for monitoring accident reporting, training and consultation with employees in the Company.

All Company employees shall give their co-operation to the support of this policy statement?

The Health & Safety Statutory Notice poster shall be displayed in the Company and on site managed by the company.

Health & Safety objectives will be set annually by the board, to drive continual improvement in health and safety performance of the organisation.

This policy shall be reviewed once every 12 months, and updated as necessary.

Copies of this Policy are available for all staff, visitors and Health & Safety Inspectorate.

Signed:

**Gary Purdy**
